

TAURUS®

Operating Instructions

Art. No. TF-SB1411

FSTFSB1411.01.01

1 GENERAL SAFETY INSTRUCTIONS

1.1 Personal Safety

⚠ DANGER

- + Before you start using the equipment, you should consult your physician that this type of exercise is suitable for you from a health perspective. Particularly affected are persons who: have a hereditary disposition to high blood pressure or heart disease, are over the age of 45, smoke, have high cholesterol values, are overweight and/or have not exercised regularly in the past year. If you are under medical treatment that affects your heart rate, medical advice is absolutely essential.
- + Note that excessive training can seriously endanger your health. Please also note that heart rate monitoring systems can be inaccurate. If you notice any signs of weakness, nausea, dizziness, pain, shortness of breath, or other abnormal symptoms, stop exercising immediately and seek advice from your doctor if necessary.

⚠ WARNING

- + This equipment may not be used by children under the age of 14.
- + Children should not be allowed unsupervised access to the equipment.
- + People with disabilities must have a medical license and must be under strict observation when using the equipment.
- + The equipment is strictly for use by one person at a time
- + Keep your hands, feet and other body parts, hair, clothing, jewellery and other objects well clear of moving parts.

⚠ CAUTION

- + Make sure that nobody is within the range of motion of the equipment during training so as not to endanger you or other persons.
- + The contents of the bag must not be substituted by other types of stuffing consisting small particles, such as sand or sawdust, as the user may thus be injured or the bag may be damaged.

▶ ATTENTION

- + Do not insert any objects of any kind into the openings of the device.
- + Do not wear jewellery like rings while using the training equipment.

1.2 Set-Up Place

⚠ WARNING

- + Do not place the equipment in main corridors or escape routes.
- + To prevent fire, do not place the device near or in areas with high heat (e.g. near a heater).

⚠ CAUTION

- + Choose the set-up place so that there is sufficient space around the product. Please note that the product requires sufficient space to the rear when in the reclined position.
- + If your device is to be mounted on the wall/ceiling, make sure that you use the appropriate assembly material to avoid possible damages or personal injuries. The contractual partner accepts no liability for this.

▶ ATTENTION

- + The device may only be used in one building, in sufficiently tempered and dry rooms (ambient temperatures between 10°C and 35°C). The equipment should not be used outdoors or in rooms with high humidity (over 70%) like swimming pools
- + To avoid fading or faster wear of the cover, do not place the product in places with direct sunlight and/or high heat.

2 TECHNICAL DATA

Height:	108 cm
Diameter:	37 cm
Article weight (incl. packaging):	22 kg
Article weight (without packaging):	20 kg
Packaging dimensions (LxWxH) approx.:	33 cm x 33 cm x 108 cm
Use class:	S

Taurus Punching Bag Pro

3 ASSEMBLY

NOTICE

Before hanging the punching bag, make sure that the hook or the wall bracket is able to carry the weight of the punching bag and that the hook is securely fixed to a ceiling beam or other type of beam or that the bracket is securely fastened to a solid wall.

Hang up the punching bag using the enclosed chains and snap hook. The punching bag can be attached by either using a wall bracket or a hook in the ceiling.

4 CARE, MAINTENANCE AND STORAGE

WARNING

The storage location should be chosen so that improper use by third parties or children can be prevented.

1. Clean the device with a dry soft cloth.
2. Store the device in the supplied carton in a dry environment.

NOTICE

Check regularly that chains, snap hook and steel brackets are securely fastened.

5 WARRANTY INFORMATION

Training equipment from TAURUS® is subject to strict quality control. However, if a fitness equipment purchased from us does not work perfectly, we take it very seriously and ask you to contact our customer service as indicated. We are happy to help you by phone via our service hotline.

Warranty period

The warranty periods, shown on our web shop, begin on delivery of the fitness equipment. The respective warranty periods for your equipment can be found on its product website.

Please refer to the website of your TAURUS® device for the exact warranty conditions.
